President's Foreword

I must reiterate the objectives of the UVRC in the 'promotion' and encouragement of target shooting and marksmanship with rifles, and the training of old Uppinghamians and pupils of Uppingham School in marksmanship and the use of target rifles as a shooting discipline.

Of our objectives, I feel it is the encouragement of the pupils which is most important. The club is good at 'sourcing' equipment for the school. It would be great if more of the pupils could shoot the Imperial Meeting.

My highlight of last year is the performance of the few pupils who attended the schools meeting to finish 2nd in the schools' pairs and fourth in the Ashburton Fours.

On my recent trip to South Africa this year with the England team, a poignant observation was made during prayers on the range which has struck a chord with me. This was something along the lines that rifle shooting is the most peaceful of sports.

Please enjoy your shooting for future years and tell others of your sport.

UVRC vs School Small-bore Match

With the pandemic finally looking like it was beaten, the UVRC smallbore match against the school was held on 14th May, with an excellent lunch at the Old White Hart in Lyddington to get us in the mood. The lunch coincided with the village fete, and we were privileged to witness a Lancaster bomber fly past!

In the Simon Pattinson mini range, the match was a hotly contested match. The school had a turnout of 11 pupils. We had a good turnout of twelve shooters (SJP (WB 52) declined to shoot – I'm sure that had no connection to the fact that his daughter Katie (FD 89) produced a competitive 88 – family competition!). Also attending were John Webster (C 70), Jonathan Hull (F 74), James Watson (L88), Emma Cannings (L 95), Michael Horrell (WD 07), Harriet Walker (FD 08), Ali Milmore (WD 13), Ross Carmichael (F 14), Kirrill Taradayko (FHG 14), Archie Simpson (WB

14), and Hugo Turnbull-Hall (WD 16).

After some discussion over the match conditions, we ended up with the best card from each of 11 shooters counting for each team. The OUs just pipped the school team by a 27-point margin coming in with 1017 to 990 out of 1100.

The dinner in the Kendall room was superb as ever, after which Emma Cannings gave an impromptu and very entertaining speech (and slightly longer than her AGM report later in July!).

Review of 2022

Report by Reg Curtis (Club Captain)

The beginning of July 2022 saw Stickledown range and the Bisley danger areas ravaged by wildfires; whilst arson was not suspected strong winds and very dry scrubland conspired to close the ranges for several days to allow Surrey Fire & Rescue to do their best to contain and control the fire. There was some concern early on that this fire might force the whole Imperial Meeting to be cancelled or at least postponed, or worse, destroy Bisley Camp itself.

In the event Surrey Fire & Rescue coordinated well with the NRA and a major disaster was averted. A team of quickly assembled volunteers under the supervision of the NRA made good the damage, in particular repairing and replacing the burnt-out number boards on Stickledown range in very short order. The ranges were closed for several days causing some disruption to the Match Rifle events but thankfully not to the School's Meeting nor the Target Rifle events.

In the School's Meeting (the first since 2019 due to Covid restrictions), Uppingham came 2nd in the School's Pairs (NEC W Wong and Cdt R Lim), and 4th in the Ashburton Fours, showing great promise for the future.

The Veteran's match on the 14th of July was held on a swelteringly hot evening, with smoke from the smoldering wildfires in the danger area still visible and distinctly smellable. The A team came an unusually disappointing 19th place, with the B team 4th and the C team 12th. This is an egregious result borne of individual veterans' modesty influencing which team they should shoot for, which is in the spirit of the 'no rules' Veterans Match but undesirable when we have a long-standing reputation to maintain. Going forward (and to save our plausibility) the A team at least will be comprised of those who shoot regularly and according to last year's Grand Aggregate position. **Chris Watson (M92)** came 5th in the Schools Veterans' Tankard with an excruciatingly close 49.9. The AGM was later held after a BBQ in the Old Sergeant's Mess.

A team			B Team			C Team			D Team		
Watson CJ	49	9	Walker H	48	7	Hunting SA	49	6	Ashworth P	47	4
Watson JA	48	7	Harvey NE	48	6	Mathieson DA	49	3	Rainbird J	42	1

Curtis R	45	2	Dickson J	45	3	Noble SJ	5	0			
Total	237	26	Total	236	27	Total	190	10	Total	89	5

During the Target Rifle Meeting, notable achievements by OU's included **Ant Ringer (B79)**, coming 7th in the Conan Doyle, and 5th in the Saturday Aggregate, **James Watson (L88)**, was 8th in the Daily Mail and 10th in the Daily Telegraph. **John Webster (C70)** came 8th in the St George's Final, with **Simon Belither (L71)** 13th, **Ant Ringer** 36th, and **Chris Watson** 49th.

Seven OUs made the top 200 of the Grand Aggregate, **Ant Ringer** 15th, **Chris Watson** 44th, **James Watson** 55th, **Simon Osmond (WB85)** 68th, **Simon Belither** 82nd, **John Webster** 119th, **Reg Curtis (F76)** 177th.

In the possibly last ever (if not for a long time) Queen's Final, **Chris Watson** came 28th, **Ant Ringer** 41st, **Simon Belither** 42nd, and **James Watson** 75th.

The Imperial meeting course of fire was slightly altered with changes to the Grand aggregate and warm up matches but we have maintained the competitions that have always been counted as the Club Championship. This year was a little more competitive in 2022 than recent years with four members making all final stages. 12 points divided those to four, with Ant Ringer pipping Chris Watson into second place and regained his crown.

In the international matches, **Ant Ringer** shot for England and **Chris Watson** for Wales in the National, **Chris Watson** coached the Welsh team in the MacKinnon, and shot for Great Britain in the victorious Kolapore Team.

Looking ahead to 2023, Ant Ringer was selected to tour to South Africa and Kenya with the English XX team and James Watson was part of the GB Team to South Africa ahead of the Palma Match in 2024. Reports from these tours will appear in the 2023 Review.

Finally in recently breaking news, Emma Cannings has become engaged, we wish her all the best for her and fiancé Chris.

3. Minutes of the last AGM

Copies of last year's minutes were distributed and had also been included in the annual report. There were no corrections or matters arising.

4. Treasurers Report (JAW)

The interest on the Club's savings in the National Savings account has decreased from £100 to £1 so other options are being investigated.

The Club's finances continue to be in good health, this was helped by the club not funding a BBQ last year, as people paid for this themselves. The club continues to hold plenty of assets to assist younger shooters.

The Exec committee has already approved a donation of £3000 to support the school.

Approval of the report was proposed by JD and seconded by EC.

5. Captains Report (EC)

The captain updated the club that "everything is marvellous, and we have had some great shooting last year". A full report of the club's activities over the previous year will be circulated separately.

Thanks was given to JH for compiling last year's report as EC was away.

6. School report (KG)

KG reported that the school's new director of sport only allows sports options run for two terms. As a result, separate Smallbore and Full-bore clubs are being formed to get around this new restriction.

Commenting on this year's Cadets meeting despite the heat, which resulted in two of the Cadets from the School came down with heat stroke, the School produced strong results. We placed third in the Ashburton Fours and second in the Cadet Pairs. There was also success in the Regimental Regional Trophy where they beat both Oakham and Oundle.

9. Any other business

JGMW asked about the supply of a new left-handed .22 rifle for the School. KG responded that the left-handed smallbore rifles are only made in batches and currently they are not obtainable. The school is currently short of two rifles as they are being repaired.

CW asked for it to be noted that JD needs a Donegal badge from a previous year and asked if anyone knew the location of the Club Championship trophy. CW agreed to chase people for this.

CW thanked JAW and the rest of the committee for all their work running the UVRC.

There being no other business the meeting concluded at 8:48 pm

Probationary Members may not vote at any General Meeting. A Probationary Member will not pay a subscription until he or she becomes a Full Member.

(B)**Full Member:** Full Members will be approved by the Executive Committee. To qualify as a Full Member, one should have either, completed satisfactorily Probationary Membership (sub para A above), or be a current member of a Home Office approved target rifle club, or hold a current FAC authorising possession of a rifle.
